16.2 STUDENT CAREER DEVELOPMENT

Student Career Development (SCD) is part of the VU College. Careers Educators are available in the Learning Commons on a drop in basis for short consultations. In addition, we provide resources, conduct career counselling sessions and run workshops and events to promote students' career development.

For more information, visit: WWW.VU.EDU.AU/CAREERS/

Services include:

- One on one career counselling sessions – book via 9919 4944
- Drops in session
- Online Jobs Board
- Resume checks via careers@vu.edu.au email
- Review of job applications
- Events and workshops
- Mock interviews
- Online careers counselling – careerscounselling@vu.edu.au
- Work Wizard- an online registry for students and graduates seeking jobs

In addition, SCD provide the following programs:

- Annual Careers Fair for students to meet graduate employers – every March
- Annual Government Expo to learn about working in the public sector and potential graduate opportunities – every September
- Career Bridge - mentoring program between students and industry
- Graduate Roadmap series – bi annual intensive career planning program
